HISTORY, TRADITIONS, AND UIC MISSION

MISSION

UIC provides the broadest access to the highest levels of intellectual excellence. UIC's mission is:

- To create knowledge that transforms our views of the world and, through sharing and application, transforms the world.
- To provide a wide range of students with the educational opportunity only a leading research university can offer.
- To address the challenges and opportunities facing not only Chicago but all Great Cities of the 21st century, as expressed by our Great Cities Commitment.
- To foster scholarship and practices that reflect and respond to the increasing diversity of the U.S. in a rapidly globalizing world.
- To train professionals in a wide range of public service disciplines, serving Illinois as the principal educator of health science professionals and as a major healthcare provider to underserved communities.

TIMELINE OF HISTORY

1859 – College of Pharmacy founded as the oldest academic unit of UIC.

1867 – University of Illinois Board of Trustees has their first meeting and passed a resolution that favors the establishment of a campus in Chicago.

1894 – Chicago College of Pharmacy became the School of Pharmacy of the University of Illinois.

1982 – University of Illinois at Chicago (UIC) is formed with the consolidation of Circle Campus and Medical Center campuses.

1988 – The first residence halls are built: Courtyard, Commons North/South.

2007 – South Campus development begins, allowing housing for more UIC undergraduate students.

TRADITIONS

- **Commencement:** Commencement is a special occasion, one with a long-standing tradition associated with dignified proceedings that surround the granting of degrees. At each college ceremony, undergraduate, graduate and professional degree students will be individually recognized when degrees are conferred.
- **Convocation:** The UIC Convocation is a ceremony to welcome new students to the University of Illinois at Chicago. This event marks the official beginning of a new student's entry into the UIC academic community. All new students are expected to attend this special event. Parents are welcome and encouraged to attend.
- **Family Weekend:** Family Weekend is an opportunity for alumni, students and their families to take part in a unique, weekend-long experience to explore UIC and Chicago! Families will discover more about life at UIC by participating in family-oriented events, info sessions, and activities, on campus and in the city.
- **Homecoming:** Each year, the Student Activities Board and Center for Student Involvement hosts a week of festivities aimed toward generating school spirit and fostering a sense of community on campus. UIC Homecoming Week events include the Taste of UIC, tailgate events at basketball games, a student showcase, homecoming dance and more.
- **LOL@UIC:** The UIC Student Activities Board is proud to present each year, "LOL@UIC", an annual comedy showcase event exclusively for the UIC community that has brought stars such as Kenan Thompson, BJ Novak, The Wayans brothers, and Whitney Cummings.
- **Spark:** Spark is UIC's music festival on campus that occurs in the first few weeks of students. This event is open to UIC students, faculty, and staff and their guests each Fall. In 2010 as a back-to-school event, Spark in the Park was designed to bring local, national, little known, and wellknown artists to campus. The music fest offers an eclectic mix of entertainment for UIC's diverse campus community. While listening to, the music fest audience also can enjoy food and beverages provided by UIC Dining Services and giveaways sponsored by additional campus departments. FUN FACTS

- Netsch (the designer behind BSB) was experimenting with "Field Theory" which is based on a rotated square. He used this design in BSB, SES, and the Architecture Building.
- UIC is the largest university in Chicagoland area
- The Student Services Building (SSB) was created in 1994 from the renovation of the Circle Court shopping mall.
- UIC has the first and only Arab American Cultural Center on a college campus.
- Navy Pier's athletic teams were known as the "Chi-Illini". The move to Circle Campus brought a new identity as the "Chikas" in homage to the Chikasaw nation.
- UIC's team name is currently the "Flames", recalling the 1871 Chicago fire.

SCHOOL SPIRIT

Our athletic teams are known as the “Flames,” a name chosen by UIC students in honor of the Great Chicago Fire. You’ll see the Flame on sweatshirts, the gym floor, and of course, on team uniforms. And you’ll see a lot of flame red and indigo blue - our school colors. The Flames mascot is the fire-breathing dragon. The story is that the dragon was hatched on October 11, 1986, from a large egg found at the Pavilion a few weeks earlier.

Fight Song – Fire Up Flames

By Roland F. Rose

Fire Up Flames!

We stand behind you,

We love the red and blue!

We’ll cheer you on to victory

We’ll be there o’so true!

Fire Up Flames!

You’ll be a winner.

They’ll find it hot

When you turn up the heat!

So march on today to victory

‘Cause we cannot be beat!

Alma mater – May the Flames Burn Brightly Forever

By Scott R. Williams

May the Flames burn brightly forever.

May the torch be raised on high.

From the Pier to the prairie.

To the strength of Illinois.

May our colors long stand proudly.

Across Chicago’s sky

May the memories cherish,

the start of all our dreams for tomorrow.

(chorus)

UIC, UIC

The start of all our dreams for tomorrow

The heart of Illinois in Chicago.

UIC, UIC

The heart of Illinois in Chicago

UNIVERSITY POLICIES

NOTE: The information in this section is not an exhaustive list of university policies. For additional information and direct links to policy statements, visit the Online Student Handbook at go.uic.edu/studenthandbook.

ALCOHOL & OTHER DRUG USE BY STUDENTS

UIC supports the choice of students who are 21 or over to abstain from consuming alcoholic beverages or to consume alcoholic beverages responsibly. UIC prohibits alcohol consumption by minors and violators of this policy will be subjected to the full penalties of the laws governing the State of Illinois.

The policy is designed to encourage the positive, healthy use of alcoholic beverages in a responsible manner. Students and employees must ensure that their consumption of alcohol at University functions and/or in residence halls will not create a hazard to themselves, other students/staff/faculty, University property, the University's reputation, or the public.

The university permits the consumption of alcoholic beverages at certain conventions, conferences, and cultural and educational activities. The specific approval of the Chancellor is required on an event-by event basis to sell or serve alcoholic beverages.

The unlawful or unauthorized possession, use, distribution, sale, or manufacture of controlled substances is prohibited on University premises while conducting University business. Cannabis possession is prohibited on UIC property. Medical cannabis cannot be openly possessed or used in a public place including in a health care facility, or any other place where smoking is prohibited under the Smoke Free Illinois Act. UIC is a smoke free environment. To view a resource guide or to obtain additional information on UIC's drug-free schools policy, please visit the Wellness Center's website, wellctr.uic.edu, and click on "UIC Alcohol and Drug Policy" in the right column. For more information, please visit the UIC Policy on Policies page at policies.uic.edu/uic-policylibrary/student-affairs/.

CONCEALED FIREARMS

Illinois enacted the Firearm Concealed Carry Act (430 ILCS 66/) to comply with federal court rulings. Under the Act, university property is a Prohibited Area. Therefore, firearms and other weapons are prohibited in all UIC buildings and grounds, including the Hospital, outpatient clinics and affiliated offsite health centers. University policy generally prohibits anyone — even a firearm owner with a concealed carry permit — from carrying or storing a firearm or weapon on any university property, unless required by that individual's job as determined by the Chief of UIC Police, in consultation with the Vice Chancellor for Administrative Services. However, a person licensed to carry a concealed firearm may carry a concealed firearm on or about his or her person within a vehicle into a campus parking lot and may store a firearm and ammunition in a locked vehicle if concealed in a case or locked in a container out of plain view. The firearm may only be removed from the vehicle for the purpose of storing or retrieving it from the trunk of the vehicle, and it must be unloaded before it is removed from the vehicle. Any person reported or discovered to possess a firearm or weapon on university property in violation of this policy will be subject to disciplinary action along with arrest and prosecution. Unauthorized possession or storage of weapons on university property is a Class A misdemeanor.

CONFIDENTIALITY OF STUDENT RECORDS (FERPA)

Annually, UIC informs students of the Family Educational Rights and Privacy Act of 1974, as amended. This Act, with which the University intends to comply fully, was designated to protect the privacy of students' educational records, to establish the right of students to inspect and review their educational records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with the Family Policy Compliance Office concerning alleged failures by the University to comply with the Act. University policy explains in detail the procedures to be used by the institution for compliance with the provisions of the Act. Copies of the policy are available in the Office of Student Affairs and the Office of Admissions and Records.

OPEN EXPRESSION

The University of Illinois at Chicago, in its role as an academic institution, is committed to an environment in which a variety of ideas can be reasonably proposed and critically examined. The existence of the free exchange of ideas and the expression of dissent within the university community are indications of intellectual vitality and social awareness. Freedom of speech in this context will include all forms of communication and artistic expression as well as the freedom to listen, watch, protest, or otherwise participate in such communication ("open expression").

Implicit in these freedoms is the right to demonstrate in a peaceful and non-disruptive manner. The university affirms the right of members of the university community to assemble and demonstrate peaceably and expects that those who enjoy these freedoms must also accept responsibility for their open expression activities. To promote the free exchange of ideas, the University of Illinois at Chicago acknowledges the right of members of the university community to distribute visual communications and to speak publicly on campus, subject to the reasonable time, place and manner restrictions set forth in this policy.

The university affirms that the substance or the nature of the views expressed is not an appropriate basis for any restriction of an assembly or a demonstration. As such, the content neutral rules set forth in this policy are intended to protect the rights of those involved in these activities, others in the university community, and the institution from unreasonable disruption. The policy is not intended, nor shall it be used by the university, for prior review of any communication. The use of the university grounds and/or facilities does not imply acceptance or endorsement by the university of the views expressed as part of any open expression activity. The university reserves the right to amend this policy as appropriate.
