3. Present the letter of eligibility to the Office of Student Veteran Affairs.
4. **(IMPORTANT)** If you are using the **Illinois National Guard Grant**, you will need to contact ISAC before each academic year to renew eligibility. If a student does not contact ISAC, the ING will not automatically renew.
5. **(IMPORTANT)** Check your student account at all times to ensure that the IVG or ING has posted to your account during the semester. If it has not, call our office immediately. 312-996-1408. The university cannot correct any mistakes to the ING or IVG after the semester as there is a deadline for each semester to present paperwork.
