

ENGAGING ANTI-RACISM

READINGS AND REFLECTIONS
ON WHITE PRIVILEGE

TUESDAYS FROM NOON-1PM
STARTING JUNE 23RD

A foundational piece of dismantling racism is listening to and supporting Black communities; it is also critical to address privilege that enables racism on individual and systemic levels.

The Counseling Center, the UIC Dialogue Initiative and the Office of the Dean of Students welcome all students, faculty, and staff to attend a five-week virtual series on exploring and confronting white privilege and engaging with anti-racism.
