 ROLE OF THE ELECTION PLANNING COMMITTEE (EPC)

The EPC is an independent body of graduate, professional and undergraduate students. The members of the EPC are selected through an application and interview process, coordinated by the Office of the Dean of Students. The EPC establishes and implements election rules and regulations, as well as oversees the election of the student members of the Board of Trustee, the Undergraduate Student Government and Undergraduate Members of the UIC Senate. EPC believes in and supports the philosophy that open, fair, and well-organized elections play an essential part in strengthening our community and student governance at UIC. Each year, EPC is responsible for ensuring a fair election by adjudicating all campaign-related matters, including alleged campaign violations and clarifications to the Rules and Regulations, and ratifying the election results. EPC will conduct the following elections:

Undergraduate Student Government:
- President (1 total)
- Vice-President (1 total)
- House of Representatives (30 total)

Illinois Board of Trustees:
- Student Member of the Board of Trustees (1 total)

Student Senate:
- Undergraduate Student Senator (20 total)

If a candidate fails to meet the requirements, they will not be able to run for the position applied to. In the case of a clerical error, the candidate may petition to the EPC. If it has been determined that there was no clerical error, the disqualification will stand.

- CAMPAIGN RULES -

The campaign rules are the specific expectations of EPC. EPC emphasizes that all candidates are expected to follow these rules. EPC reserves the right and responsibility to disqualify candidates and/or sanctioning candidates for violating the rules. Disqualified candidates will be ineligible to hold the position for which they ran, even if elected.

Candidates are encouraged to consult EPC regarding the rules or campaign strategies that may jeopardize the good standing of their campaign and result in disqualification. Candidates are encouraged to contact EPC outlining questions and/or problems they have encountered during the election process.

[2.1] Responsibilities of Candidates

2.1.1 Candidates and campaign workers must observe UIC student election and university policies and procedures.

2.1.2 Candidates are responsible for their own campaign activities and the activities of their campaign workers. This includes financial costs of any campaigning materials used throughout their own campaign.

2.1.3 Any violation of election and/or campus policies and procedures is grounds for disqualification from an election. This also includes violations incurred by the candidate’s registered or unregistered campaign workers.

2.2.4 Candidates must follow eligibility requirements for the position in which they are running.

[2.3] Campaigning

2.3.1 Organizing a campaign shall be defined as, but not limited to the following criteria:
- Asking other students to help with a candidate's campaign;

- Preparing campaign materials for distribution;
- Communicating through physical and online media such as chalking and social media.

2.3.2 Campaigning may not begin until after the candidate has been formally notified of their qualifications. Notification will occur on Wednesday, February 19th, 2020.

2.3.3 EPC must approve all campaign materials prior to their posting. EPC will begin to accept on Monday, February 17th, 2020. Materials can be submitted electronically to Cynthia Rosales at crosal4@uic.edu. EPC will render a decision within 24-48 hours.
2.3.4 Party slates are allowed. A party slate is defined as a group of candidates with similar platforms and political views organized under one name. Party slates will be recognized as a single entity for purposes of campaign rules and violations with the exception of the spending rules. Expenditures under a party slate must be directly tied to a candidate and are subject to the listed limitations. If a party slate is found in violation of campaign rules, all members of that party slate will bear the responsibility of the sanctions imposed by the EPC.

2.3.5 Campaign workers **must** be registered with the EPC prior to working on any campaign.

2.3.6 Distribution of campaign materials must not interfere with the regular course of University business.

2.3.7 Campaigning of any form is prohibited within 25 feet of any UIC computer lab.

[2.4] Definition of Campaigning

- Directly or indirectly advertising (paid or unpaid) on online platforms;
- Appearing before a group to share one's opinion or to influence individuals to vote;
- Writing letters to the editor in campus publications.

*This list should not be considered comprehensive and when in doubt, contact EPC.*

[2.5] Negative Campaigning

2.5.1 EPC expects candidates to run an issue-oriented campaign. This committee reserves the right to disqualify or sanction a candidate if it believes that the candidate or their campaign engages in libel (malicious, false print report) or slander (malicious, false verbal report).

2.5.2 Posting over or removing posters and other campaign materials of another candidate is not permitted.

2.5.3 All candidates must be aware of and abide by UIC's non-discrimination policies, found at the following website: [https://policies.uic.edu/uic-policy-library/access-and-equity/nondiscrimination-policy-statement/](https://policies.uic.edu/uic-policy-library/access-and-equity/nondiscrimination-policy-statement/).

2.5.4 If candidates have questions as to what is an appropriate campaign strategy, they should discuss their ideas with the EPC prior to putting strategies into action. Ignorance of what constitutes negative campaigning is not an excuse for violating the rules and regulations.

2.5.5 Any negative campaigning that violates UIC's Student Code of Conduct policy may be referred to Student Conduct for further disciplinary action.
2.6.1 The spending limit for each candidate for Student Member of the Board of Trustees, USG President, and USG Vice President may not exceed the amount of $500. The spending limit for candidates wishing to be elected in the UIC Senate or USG assembly may not exceed $150. Any candidate running for more than one office may not exceed the total of these combined amounts.

2.6.2 The spending limit includes all costs incurred on behalf of the candidate’s campaign. All funds provided by a student organization must be included in the candidate’s spending limit, and usage of these funds must be permitted by the organization’s policy.

2.6.3 Campaign spending includes all items used to create materials promoting your campaign, for instance poster board, website maintenance costs, t-shirts, paints, buttons, etc.

2.6.4 All candidates must return receipts following the election period. The candidates are required to return itemized receipts for all campaign expenditures to the Office of the Dean of Students, 3030 SSB by 4:00 PM AT THE LATEST on Friday, March 20th, 2020. Candidates may email any receipts to the EPC via Cynthia Rosales at crosal4@uic.edu. If no money is spent, an expenditure form is still required, highlighting this fact.

2.6.5 Candidates who violate the campaign spending rules may be subject to sanctions including disqualification.

2.6.6 University funds and resources including, but not limited to; State, ICR, University Foundation, Student Fee, or SAFC accounts cannot be used for campaign financing.

2.7.1 Candidates, their campaigns, their individual supporters, their organizational supporters, and others are allowed to freely distribute items supporting a campaign or candidate during the official campaign period provided that the content, form, style, and/or other qualities are consistent with all other relevant EPC and University rules. Candidates are advised that the cost of acquiring and distributing these items count towards their spending limits and must be accounted for like all other campaign expenditures.

- ADVERTISING-

EPC has identified the most common methods of advertising used in campaigns. The committee has attempted to anticipate and address as many questions and issues that may arise. However, it is impossible for EPC to anticipate all the methods of advertising that a candidate may choose to use. Candidates are encouraged to contact EPC with specific questions regarding advertising methods, particularly those methods that may be a possible violation of EPC campaign rules. EPC will be available to answer any and all questions on advertising, and ignorance of the rules will be no excuse should a violation occur.
[3.1] **Content of Campaign Materials**

3.1.1 All campaign materials, regardless of delivery medium, including printed material and electronic messages, must conform to the following guidelines. Campaign materials that do not conform to the guidelines may be removed by EPC.
- Visibly bear the name of the issuing person(s) or campaign committee/party slate.
- State the funding source for the materials.
- If in a language other than English, must bear an English translation.
- EPC must review and approve all material for compliance with guidelines before any type of posting or distribution occurs.

3.1.2 Candidates who violate the rules related to the content of campaign materials may be subject to sanctions including disqualification.

3.1.3 Campaign materials that violate the Student Disciplinary Policy may lead to disciplinary action against the candidate and/or creator of those materials.

[3.2] **Posters and Fliers**

3.2.1 Posters and fliers are permitted. All campaigning materials must be removed by the end of the day following the election, Thursday, March 19th.

3.2.2 Candidates must follow all building regulations for placing posters, such as obtaining approval from the building manager. It is the responsibility of the candidate and their campaign team to know the proper process for obtaining approval to place posters. Failure to abide by building management rules will result in removal and/or sanctions.

3.2.3 On the east side of campus, fliers should be taken to the Student Centers Office in Student Center East (SCE) for approval. On the west side, fliers should be taken to the Information Desk in the Student Center West (SCW) lobby for approval. Both the SCW Information Desk and the SCE Service Centers accept fliers from 8:30 AM to 4:45 PM, Monday through Friday. To post in the Library of the Health Sciences, you must have all fliers stamped for approval at the Circulation Desk.

3.2.4 Tearing down, defacing, or tampering with another candidate's properly placed poster in any way may result in disqualification from the election.

[3.3] **Banners**

3.3.1 EPC defines banners as anything larger than 11" x 17".

3.3.2 Banners are allowed; however, students must follow building protocols and are responsible for organizing this with building management.

3.3.3 Banners in the Student Centers will not be allowed due to the limited spaces available.
[3.4] **E-mail**

3.4.1 Campaigning electronically is permitted. Candidates may not continue to send email/social media messages after a student has expressed their desire not to be contacted. However, candidates may send e-mails to UIC owned list-serves.

[3.5] **Chalking**

3.5.1 Chalking must be done at locations that will be washed clean by the weather, i.e. not in areas protected by canopies or other building elements. Use chalk that will wash away, i.e. not artist’s pastels or spray chalk. Messages can only go on horizontal surfaces of sidewalks, not on walls or stair risers or any other vertical surface.

[3.6] **Tabling**

3.6.1 Tabling is permitted but **EPC must be made aware of where and when tabling will occur**. Use of laptops is permitted to display only EPC-approved campaign materials but at no time may the voting website be displayed or accessed as “voting booths” are not allowed.

3.6.2 Candidates who wish to table, must abide by the specific building management guidelines. It is the responsibility of the candidate and their campaign to be familiar with any guidelines.

3.6.3 If a candidate wishes to reserve table space in front of the SCE bookstore, the candidate must coordinate this with the Office of the Dean of Students by contacting Cynthia Rosales (crosal4@uic.edu). Requests for tabling in this space will be reviewed case by case and candidates must know that a request may not always be accepted based on availability.

[3.7] **Social Media Campaigns**

3.7.1 Facebook Groups: Candidates are allowed to post election related campaign posts to Facebook Groups for which they belong in. Candidates are strongly encouraged to contact EPC prior to posting content to ensure that the content does not violate the code.

3.7.2 Social Media pages/Accounts are permitted to push campaigning efforts. However, they are not to be made “active” until EPC has reviewed and approved the page/account. This includes Facebook, Instagram, Twitter and Snapchat accounts.

3.7.3 Once EPC has approved of a page/account, candidates are free to post/share campaign content. However, prior to posting on sites, candidates must still submit campaign designs/slogans for review to EPC. Candidates do NOT need to inform EPC each time they would like to post on their accounts. However, candidates are expected to uphold a respectable, decent, and clean campaign (see section 2.6).
3.7.4 If candidates would like to utilize “live” functions on social media pages to share content related to their campaign, they are welcome to do so.

3.7.5 If candidates would like to use any other type of media for campaigning (i.e., music videos, songs, short film, etc), candidate must get it approved by the EPC before posting onto sites. Please note that for these types of media, candidates must get it approved by EPC despite having the social media page approved prior.

[3.8] Creative advertising techniques:

3.8.1 Candidates are encouraged to be creative. When developing strategies not listed above (e.g., other forms of media, Snapchat filters, GroupMe messages), candidates must remember to stay within the expenditure limits as well as other election rules. If any candidate wants to use any medium of advertisement that is not listed, that candidate must contact EPC and receive approval before doing so. Failure to do this may result in sanctions. EPC retains full discretion on any decisions regarding campaign techniques not specifically mentioned herein.

- STUDENT ORGANIZATIONS AND THE ELECTION -

[4.1] Student Organizational Endorsements

4.1.1 Student organizations may provide endorsements for particular candidates as often as they please.

4.1.2 All student organizations are allowed to publicly endorse candidates and as many candidates as they choose.

4.1.3 Members of organizational list-serves may email out to these list-serves, but students unaffiliated with these list-serves may not email out to them.

4.1.4 Student organizations are prohibited from using coercive measures to force members to vote for specific candidates. EPC reserves the right to determine if a measure is coercive, at penalty of disqualification.

[4.2] Student Organization Sponsored Events

4.2.1 Student organizations are encouraged to sponsor events for candidates. EPC defines sponsored events as events open to the student body (i.e., not private student org meetings).

4.2.2 Student organizations that wish to sponsor such events must inform EPC at least 24 hours in advance of the event and prove that the event has complied with EPC regulations.

4.2.3 All costs associated with the organization-sponsored events must be recorded and reported in the Campaign Expenditure form.
4.2.4 EPC reserves the right to determine if an event featuring a candidate is campaign related and determine appropriate sanctions if necessary. If a candidate or organization is unsure, they are encouraged to contact EPC for clarification.

- VIOLATIONS AND APPEALS –

[5.1] Complaint Information

5.1.1 Any student may report possible violations of the Election Rules to EPC in writing. EPC reviews reports of infractions of campaign rules and determines the appropriate response, up to and including disqualification of a candidate.

5.1.2 A complainant must complete the official complaint form and provide all necessary information, including a signature, before the complaint can be processed.

5.1.3 A typed complaint must be submitted to the EPC no later than 48 hours after the violation has occurred, excluding weekends and holidays. Complaints received after the 48-hour limit will not be accepted.

5.1.4 Complaint submissions are accepted via email to crosal4@uic.edu, in-person at the Office of the Dean of Students (SSB Suite 3030), or online via UIC Connection.

5.1.5 Once a complaint form is submitted, the EPC will review it and begin facilitating the resolution process.

[5.2] Violations and Sanctions

5.2.1 Ultimately, the decision on sanctions is at the discretion of EPC, but under normal circumstances EPC will adhere to the following tiered system for offenses:

- **Tier 1 – Sanction: Warning:**
  A tier one offense is a violation that may have been inadvertent or can be easily remedied.

- **Tier 2 – Sanction: Suspension of a Specific Campaign Activity:**
  A tier two offense comes mainly from the candidate or the candidate’s direct supporters. Tier two offenses harm another candidate. Activities that may be suspended include but are not limited to: inappropriate use of e-mail, postering, door-to-door campaigning, inappropriate use of email/social media pages, and distribution of campaign products with the intent or the result of hurting another candidate.

- **Tier 3 – Sanction: Suspension of all Campaigning**
  A tier three offense causes serious harm to the fairness of the elections process. The sanction may be extended for the duration of the election period, but falls short of disqualification.
Tier 4 – Sanction: Immediate Disqualification and Removal from the Ballot

A tier four offense causes irreparable damage to another candidate or to the fairness of the elections process. If EPC believes a candidate has committed a tier four offense, the candidate will be immediately disqualified and removed from the ballot.

5.2.2 This tiered system is a guide for candidates and EPC and is not all encompassing.

5.2.3 Any candidate who fails to comply with an EPC sanction will be subject to referral to the Student Disciplinary Policy. No candidate may hold office until all sanctions have been completed.

[5.3] Resolution Process

5.3.1 Students who are accused of violating the election rules will be notified in writing, provided with a copy of the complaint, and given an opportunity to respond in writing. Responses must be received in the Office of the Dean of Students (3030 SSB) within 24 hours of the written notification, excluding weekends and holidays. Responses after the 24-hour limit will not be accepted.

5.3.2 The EPC will review the complaint within two days excluding weekends and holidays and after the 24-hour deadline for the accused student’s response. If a complaint cannot be reviewed within two days, the complainant and all parties will be notified my email.

5.3.3 The complainant and all parties involved will be notified in writing of the EPC decisions.

5.3.4 Any alleged violations of the University Student Disciplinary Policy should be reported to the Office of the Dean of Students.

5.3.5 Offenses at or above Tier Three will require a hearing with EPC. Refusal to appear at an EPC hearing will result in immediate disqualification. At tier one or two, the candidate may request a special hearing with EPC within eight hours of the posting of the sanction. Regardless of the action taken, EPC will notify the individual(s) who brought the complaint as well as the candidate(s) involved in the decision.

5.3.6 To maintain transparency, decisions regarding complaints will be posted to the EPC website within 24 hours of issuing a sanction and informing the individuals involved.

5.3.7 See Appendices for diagram of resolution process.

[5.4] Appeals & Special Hearings

5.4.1 The candidate can submit an appeal (only tier 3 and 4) or a request for a special hearing (only for tier 1 and 2) to the EPC decision for the following reasons: procedural error; and/or new evidence exists that was not available at the time of the hearing that can alter the outcome.
5.4.2 The appeal must be submitted in writing within 24 hours of the original decision. EPC will reconvene to review new information and will provide their decision within 24 hours of receiving the appeal.

5.4.3 Any candidate wishing to appeal above EPC may bring their case to the EPC Advisor, in the Office of the Dean of Students.

[6.2] Online Voting

6.2.1 EPC uses an online system for voting. Elections will be held via the UIC Connection portal. Voters will log in with their UIC NetID and password. A voter's personal information will not be required to vote.

6.2.2 Walking around with an electronic device, encouraging voters to vote for a specific candidate is prohibited. This is synonymous with campaigning near a “voting booth” and will not be allowed.

[6.3] Voting Complaints

6.3.1 Voting complaints shall be addressed if they are brought to the EPC’s attention within the 48-hour formal complaint deadline (see section 5.2). If a complaint is received outside of these criteria, EPC reserves the right to disregard the complaint.
